Yes – I support Valois's involvement. From your voicemail, it sounds like we have a bit of time to edit the DB docs, etc.

Hi Sarah: before I respond back to Karen confirming UIC staff availability to assist the two of us with these interviews, I wanted to check in with you about Valois serving as our staff rep. While the timing of the DB permits is still uncertain, Valois and I believe that most of the permit-related work has been done. Therefore, my recommendation is for Valois to serve as the primary, and Wendy to serve as her alternate in the event Valois cannot sit all interviews.

We are hoping that this degree of UIC presence during the interviews will help ensure that AARP will be able to effectively serve UIC program needs through this new hire.

Your thoughts?

Douglas

Valois: realizing the timing is still uncertain on DB, what are your thoughts on helping with interviews with Karen's new position?
